Whereas, It has been established that the flag or emblem carrier by the New Orleans Greys at the battle of the Alamo is now reposing in the National Museum in Mexico City, and archives in Mexico prove it was captured and taken to Mexico City; and,

Whereas, Mexico and Texas over a period of many years have maintained the most friendly relations, and are closer together in mutual understanding than perhaps any other two countries, and whose people are determined to continue this high regard and understanding; therefore, be it

Resolved, That the Texas Legislature now invites the President, all other national officials, governors and members of the Mexican Congress to participate with Texas in its centennial celebration in 1936 as an evidence to the world of our friendship and of our mutual desire that warfare shall be outlawed; and be it further

Resolved, That in the promotion of this lasting friendship between

nations, we invite the Republic of Mexico, in its participation with us in the centennial, principally because the Mexican people likewise were compelled to throw off the yoke of military dictators and gain her freedom, to place on exhibition at Austin for a period of the centennial the captured Alamo flag, that it may serve to better unite the people of Texas and Mexico and teach the youth of both countries the value and benefits of liberty and patriotism.
